**Long Neck, Delaware** – The Delaware State Police have arrested Donald P. Phillips and Wayne O. Revel Jr. after a vehicle pursuit and were found to be in possession of Methamphetamine and Heroin.

The incident occurred on Saturday, June 1, 2019, at approximately 3:07 p.m., when Troopers from the Troop 7 PACE Team were conducting proactive enforcement in the Long Neck area. Troopers were on Long Neck Road in the area of Banks Road and observed a Gray Dodge Avenger northbound on Long Neck Road. The vehicle traveled eastbound on Banks Road towards John J. Williams Highway. As the vehicle approached the intersection of Banks Road and John J. Williams Highway, the

vehicle failed to stop at the stop sign and continued eastbound on John J. Williams Highway. The trooper attempted to initiate a traffic stop for the violation and activated the vehicle's emergency equipment and the suspect vehicle failed to stop. The vehicle continued eastbound on John J. Williams Highway heading towards Angola Road. The vehicle made an abrupt right turn onto Angola Road. As the vehicle approached the curve of Angola Road the operator slowed and pulled onto the shoulder of the roadway and jumped out of the moving vehicle. As the operator (Wayne O. As he was doing so, Phillips threw a handful of contraband into the woods. Phillips immediately complied soon after and was taken into custody without further incident.

Phillips complained of shortness of breath and an ambulance was contacted and the Rehoboth Beach Fire Department responded to the scene to check Phillips out. Phillips refused any further treatment.

A search of the vehicle revealed large quantities of methamphetamine and heroin along with drug paraphernalia and marijuana. All of the drug evidence was collected and transported back to the Troop for further identification and processing.
